West Eighty-second street, New York city, on Friday, September 29, at 11

FULLIVAN.—At Flushing, N. T., on Tues-day, September 28, 1916, Dennis Sulli-van, in the seventy-fourth year of his Relatives and friends are respectfully in-vited to attend the funeral services at his late residence, 800 Broadway, Flush-

Hotel and known the world over, was 50 years old yesterday. The many friends who called to see him had great rouble in spying him out, the low visi-

hour day, not for himself at least.

"If I were to count my life by the hours I have worked I estimate I should be more than 80." he said. "I always have worked sixteen to eighteen hours a day. Most people don't work more than eight hours and some get along with less. I can't. Some say I have been successful. If so it is due to my wife."

Like the motorman who takes a nice car ride on his day off, Oscar ate two birthday spreads one in the Billimore.

The big annual votes for women haid to be beyond a divergence to the big annual votes for women haid to be beyond a beyond a line for research to the says of the says of the big annual votes for women haid to be beyond a beyond a line for research. Mrs. Anderson Continues Fight

birthday spreads, one in the Biltmore Hotel and one in the Hofbrauhaus, with his wife, his mother, who is 85 years old and same to town to surprise him fixed the function for election night. November 7.

August Janssen.

Oscar was born in Switzerland and came to Now York when he was 16.

His first job was in the old Hoffman House. Then he went to Delmonico's central Palace, and as the admission, including cloakroom checks, is only fifty cents, the auffs are hoping to draw

Maxwell, 14 East Seventy-seventh street, New York city. Interment

If it were not considered crude to apply the terms of the workaday world to the realm of art, one might say that the Russian Bailet has had a touch of the sympathetic strike. It was the members of the corps de bailet who gave rise to the few that the fear that art was succumbing to the thing which has been in the air for so many days. But it was out of sympathy for Pierre Monteux, the French conduc-

and Mr. White.

and Mr. White.

It and not the street car conductors and motormen, that the ballet dancers started insurging.

When the news of Monteux's refusal to conduct Richard Strauss's score for "Till Eulenspiegel" on the ground that it was "enemy music" was translated to to day by his daughter, Mrs. Cari A. de Gersdorff. Mr. Crowninshield will leave Stockbridge next Tuesday and will carles and gave their Slavic Central Palace and gave their Slavic contral Palace and gave their Slavic contraction of the palace that the mean contraction of the palace that the palace that the mean contraction of the palace that the pa

go back and face their friends in the go back and face their friends in the old country if they danced to the music of a living German composer. The press agent tried to bush it up and called all the newspaper offices by telephone, but

upon New York if the ballet walked out, and so worked upon the sympathies of his fellow artists that they flually promised to get back in line.

Nijinsky, though, didn't have any luck with Monteux. That patriot refused to be begulled by the plea of internationalism, and to-day another conductor must be chosen for "Till Eulensmogel."

Lectures on Educational Sub-

Announcement of the lectures to be given in connection with the educational activities of the Metropolitan Museum of Art was made yesterday afternoon at
